Part 5 – Declination of Coverage Information for Participants

If you are declining to cover yourself or any eligible dependents, it is important you understand certain plan rules. By declining coverage, you are declining coverage for the balance of the current plan year, and all subsequent plan years unless you enroll for such coverage during a subsequent annual election period for coverage commencing on the following January 1. Also, any persons for whom coverage is being declined will be subject to late entrant provisions under the plans. In certain circumstances, you may be able to enroll for coverage for yourself or eligible dependents prior to a subsequent annual election period. These circumstances include marriage, birth, adoption or legal guardianship, or loss of other health insurance as provided under the Health Insurance Portability and Accountability Act of 1996 and change of status rules under HealthFlex.

Please make sure to check with your Plan Sponsor regarding the consequences and rules for declining health coverage as a retired participant.

Part 6 – Participant Signature

I attest that the participant information is true to the best of my knowledge. In addition, if I am an active participant, I have received, read and I understand the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Special Enrollment and Change of Status Event Provisions and the HealthFlex Notice of Privacy Practices, which are included in my New-Hire Enrollment Kit.

If I am unenrolling in HealthFlex coverage to enroll in a health plan through the Affordable Care Act Marketplace/Exchange, I attest that the individuals I have unenrolled have or will enroll in such health plan effective no later than the day immediately following the last day of HealthFlex coverage.

If I am declining coverage, I hereby acknowledge I read, understand and accept the rules listed in Part 5 of this form.

If I am an actively employed participant, I authorize my Salary-Paying Unit to make the appropriate pre-tax payroll deductions from my wages to apply toward my HealthFlex required contributions, if applicable.
