Enrolling in Personify Health

Sign up for Personify Health and step up your commitment to feeling better. Join others across the denomination. The earlier you enroll and become active, the sooner you'll start earning Rewards Cash rewards. Better yet, the faster you'll have more energy, lower health risks, and greater vitality to focus on your mission, job and family.

It's easy to enroll online.

1. Visit join.personifyhealth.com/wespath and select "Sign me up!"
2. Enter the required personal information. Then choose a password (at least eight characters).
3. Follow the steps to enroll and order your tracker.
4. Make note of your log in and password—you'll use them when you log in to your Personify Health account at login.personifyhealth.com or through the mobile app.
5. Download the Personify Health app from the mobile store.
6. When your activity tracker arrives, activate it by following the package instructions. If you need assistance, call Personify Health customer service at **1-800-830-4312**.
7. Start walking, riding, running, dancing, playing and moving—when worn properly, the activity tracker records every step on the road to well-being.
