Does Wespath Know Your Wishes?

Who gets your benefits if something happens to you? Be sure to check your Beneficiary Designation periodically so that Wespath knows how to distribute your account balances and/or death benefits at the time of your death—especially after a child's birth, marriage, divorce or other life event.

It's easy to verify and update your beneficiaries* in Benefits Access—go to **Take Action, Update Personal Data** then select **Update beneficiary designations**.

Questions?

Contact Wespath at **1-800-851-2201** business days from 8:00 a.m. to 6:00 p.m., Central time.

**Be sure to verify your beneficiary's address, birth date and Social Security number.*
