

Our Investment Funds

Participant Focus

Our investment decisions support the financial well-being of our participants, and aim to provide financial stability and security.

Diversified Funds

The Wespath funds provide global diversification across companies, investment styles and asset managers in an effort to provide strong risk-adjusted returns.

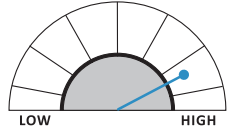

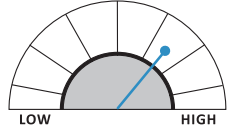

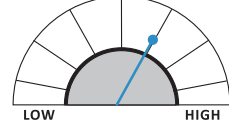

Sustainable Investments

We invest in a sustainable and responsible manner, creating long-term value for our investors.

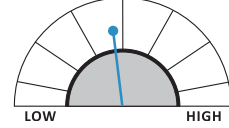

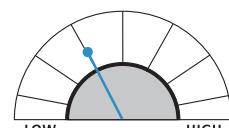

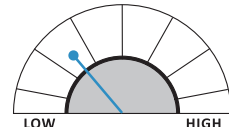

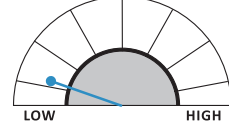

About Wespath Benefits and Investments:

Wespath Benefits and Investments (Wespath) is a not-for-profit agency that has been serving The United Methodist Church (UMC) for over a century. In accordance with its fiduciary duties, Wespath administers benefit plans and, together with its subsidiaries, including Wespath Institutional Investments, invests over \$25 billion in assets on behalf of over 100,000 participants and over 150 Methodist-related institutions (as of December 31, 2023). Wespath funds invest in a sustainable manner that supports long-term value creation while having a positive impact on the environment and society and upholding the values of the UMC. Wespath maintains one of the largest faith-based pension funds in the world.
