

Talking Points

1. Talk to ALEX from your smartphone, tablet or computer.
2. ALEX helps you Compare HealthFlex plans. You see which plan might cost the least overall and learn which plan might be most cost efficient if unexpected costs arise.
3. Take the guesswork out of picking your plans. Before you enroll, let ALEX help you put together a personalized benefits strategy.
4. Is your health plan from last year still right for Next Year You? Talk to ALEX to review your options and see if you could be saving money based on your usage.
5. Don't feel comfortable talking to your employer about your medical needs? Get confidential, personalized benefits support from ALEX instead.
6. Go beyond the medical plans and explore all of your health benefits with ALEX.
7. You might be missing out on valuable tax savings. Talk to ALEX to find out more.
8. Before you enroll, take 10 minutes and get a personalized benefits recommendation from ALEX.
9. Are you saving enough to cover medical, dental *and* vision expenses next year? Talk to ALEX to find out.
