BENEFITS | INVESTMENTS

**LifeStage Retirement Income** is an easy way to set up monthly payments from your retirement savings.

- Your investments are **professionally managed** through LifeStage Investment Management.
- Your account is regularly monitored to **automatically adjust payments** for market fluctuations, account balance changes and annual inflation adjustments.
- Your retirement can be **focused on family and friends** – not finances.

Log into **BenefitsAccess.org** to model different income scenarios and explore optional features of the program:

- The Social Security Bridge helps you optimize your Social Security benefits.
- Longevity Income Protection protects against the risk of outliving your savings.
