to your community
Education that will
change your life

Health Ministry in The United Methodist Church

UMC Health Ministry Network

Center for Health

in collaboration with

United Methodist Committee on Relief

Parish/Faith Community Nurses

are licensed Registered Nurses with specialized training who:

- Provide *Intentional Care of the Spirit*
- Use professional nursing knowledge to promote wholistic health to prevent or minimize illness
- Work with individuals, groups, congregations and communities

Health Advocates are trained health professionals or those with an interest in healing who use their gifts and talents to serve the congregation and community.

- Retired Registered Nurses
- Licensed Practical Nurses
- Licensed health professionals—physicians, social workers, therapists, pharmacists and nutritionists
- Lay health professionals—exercise coaches
