- **Wellness Credits**

Earn 20 Wellness Credits for each of seven health measures that meet the American Heart Association’s recommended range or are improved over your previous year’s BFW results. Seven qualifying health measures = 140 Wellness Credits total. Participants and spouses in HealthFlex plans can *each* earn **\$100***—and up to **140 Wellness Credits** depending on results. Earn 150 Wellness Credits before the end of the year and receive an additional \$150*.

If you missed the BFW last year, you’re still eligible for Wellness Credits for achieving healthy results, and you’ll have a baseline next year.

- **Fast Overnight**

Fasting overnight gives the most accurate results. Ask your doctor or other primary care provider (PCP) if it’s safe for you to fast.

- **Confidential Results E-mailed and Mailed Directly to You**

Share with your PCP.

- **Health Check**

Don’t forget to take the Health Check to avoid a higher deductible next year.

Reasonable alternatives or waivers will be made available for those who cannot achieve recommended or improved measures due to an underlying medical condition. Requests for a reasonable alternative may be made by:

- **E-mail**—activeteam@wespath.org

- **U.S. mail**—Wespath

Participation in HealthFlex well-being programs is voluntary.

* Incentive rewards are provided in “Rewards Cash,” the “rewards currency” for HealthFlex—you must be enrolled in Personify Health to earn and redeem Rewards Cash. Rewards Cash is delivered straight to your Personify Health account and can be transferred to your checking account or redeemed for gift cards, merchandise or charitable donations. The IRS considers wellness incentives as taxable income. Please consult your tax advisor.
